

Waste Industries

Charleston District - 237 Farmington Rd. Summerville, SC 29483
Telephone: (843)875-4900 Fax: (843)871-8639

Dear Customer,

Welcome to Waste Industries. Since 1970, Waste Industries has provided its customers with responsive, cost effective and environmentally sound solutions to their solid waste disposal and recycling needs. We currently operate more than 35 collection operations in the Carolinas, Virginia, Tennessee, Mississippi and Georgia. Waste Industries is a recognized leader in the industry and continues to be one of the fastest growing solid waste collection and recycling service companies in the Southeast.

Your pickup schedule is one time a week for household trash and yard waste debris. Please put your cart out the night before or by 7:00 AM on your day of pickup. Yard waste must be in brown-paper yard waste bags (not to exceed 10 bags) or containers clearly labeled "yard waste" (not to exceed 4 containers). Limbs must be less than 4 feet in length and 4 inches in diameter. We are allowed to pickup 2 hoppers full of yard waste per customer per week, which is approximately 1 pile, 4ft. x 4ft.

If you have bulk items, you will need to call at least 2 days in advance to schedule pickup.

Appliances will be picked up on Thursdays. Also excepted on Thursdays would be metal items, such as a grill, bedrails or bikes and ect.

Furniture will be picked up on the 2nd and 4th Friday of each month.

We do not have a special pickup for misc. items and/or construction debris. For any items that you are unsure of please contact the office.

We do offer recycling in your area for an additional fee. Please put all items in the same container and they will be separated at the recycling center. If you are using your own recycle container, please make sure it is clearly labeled "Recycle." Some examples of recyclable material are as follows:

Paper - newspapers, junk mail, office paper, envelopes, egg cartons, telephone books, ect.

Glass - food and drink containers. Other types of glass like window glass, light bulbs, drinking glasses and cookware are of a different composition and are not taken.

Aluminum- such as pet food, soup cans, aluminum drinks cans, empty aerosol cans, aluminum foil plates, ect. will be accepted.

Plastic containers with the recycling triangle - this includes many juice and soft drink containers, most plastic milk, yogurt and ice-cream containers, some shampoo bottles, many household cleaning containers.

Holiday Schedule -

Residential waste collection does not occur on the following days:

New Year's Day, Thanksgiving Day, Christmas Day,

(For Memorial Day, July 4th & Labor Day- please contact your local office at the # below to see if we will be open)

When the holiday falls on a weekday, residential collection will be delayed one day for the remainder of the week. If a holiday falls on a Saturday or Sunday, there will be NO delays.

If you have any questions on our standards not listed, please call our office. We can be reached by calling (843)875-4900 or you can visit us online at: www.wasteindustries.com

We appreciate your business!
