(i) Annual assessments or charges, and

(ii) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special; assessments, together with interest, costs, and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the Lot and improvements against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation of an Owner for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

- Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for promoting the recreation, health, safety and welfare of the residents of the Properties, and in particular for the maintenance of the Common Area, the payment of any taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the Bylaws, the establishments of an adequate reserve of the maintenance, repair and replacement of the improvements in the Common Area, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

(a) Up to and including December 31, 1995, the maximum annual assessment shall be One Hundred Eight and No/100 Dollars (\$108.00) per Lot.

(d) The Board of Directors may fix the annual assessments at an amount not in excess of the maximum. When the Board of Directors fixes the annual assessments for each calendar year, the Board shall, at the same time and in connection therewith prepare, or cause to be prepared, an annual budget showing the services furnished by the Association and the cost thereof per lot.

- Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any calendar year, a special

assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including the necessary fixtures and personal property related hereto, Provided that any such assessment shall have the assent of Two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

- Section 5. Notice and Quorum for an Action Authorized under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or proxies entitled to cast Sixty Percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be One-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the date set for the preceding meeting.
- Section 6. Uniform Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all Lots and shall be collected monthly in advance, or any other basis approved by the Board of Directors.
- Section 7. Date of Commencements of Annual Assessments. The annual assessments provided for herein shall commence as to each lot on the first day of the month following the conveyance of the lot by Declarant to any person or entity other than a sale of all of Declarant's interest in all of the properties. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment, the Board of Directors shall fix the amount of the annual assessment and give every owner subject thereto written notice of each assessment. Due dates shall be established by the Board of Directors. The Association, upon demand at any time and for a reasonable charge, shall furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.
- Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any annual assessment not paid within thirty (30) days after the due date shall bear interest from the due date at that rate which is equal to the rate of interest chargeable by law in the State of South Carolina on money judgments. The Association may bring an action at law against the owner personally obligated to pay the same or foreclose the lien against the property in like manner as a mortgage of real property, and, in either event, interest, costs and a reasonable attorneys fee shall be added to the amount of such assessment. Upon exercise of its right to foreclose, the Association may elect to declare the entire remaining amount of the annual assessment due and payable and collect the same through foreclosure. In the event of any such foreclosure, the Owner shall be required to pay a reasonable rental for the Lot after commencement of the foreclosure action; the plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or by abandonment of his Lot.
- Section 9. Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to (1) the lien of any first mortgage, and (2) the lien of any unpaid ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu of foreclosure shall extinguish the lien of such assessments as to the payments which became due prior to such sale or transfer. No such sale or transfer shall release such Lot from liability for any assessments thereafter becoming due or form the lien thereof. Nothing herein shall be deemed to require any Mortgagee to be responsible for the collection of the assessments.

ARTICLE V - Architectural Control

No building, fence, dock, wall, mailbox or other structure, and no change in topography, landscaping, grading, filling or any other item, shall be commenced, erected or maintained upon any portion of the Property or any Lot, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, so long as Declarant owns any lot in the Subdivision or until such time as Declarant relinquishes such rights in writing, and thereafter, by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event approval or disapproval is not given within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and compliance with this Article will be deemed to have been completed.

ARTICLE VI - Use Restrictions
