**Important Note: Approval by the Architectural Review Committee does not constitute approval by local governing agencies. It is the sole responsibility of the applicant to determine and comply with all governmental regulations, statutes, codes and zoning requirements. It is the responsibility of the applicant to secure any and all permits, inspections, authorization, and/or permission from government agencies prior to work commencement. It is the applicant's sole responsibility to ensure that any work commencing is within the property limits and meets all building setback and easement restrictions.**

It is the applicant's responsibility to protect all elements inside the Association easements, and to return any area disturbed by the installation of a modification to the same standards as previously existed. Upon completion of the improvement, the Association shall review and determine that the installation is in compliance with the approval provided. If the improvements are deemed incomplete or further work is necessitated, applicant shall be provided with a deadline for the completion of the work. If the improvements are not completed to the satisfaction of the Association within the timelines provided, the Association may impose penalties until completion occurs.

All Architectural Review Control Request Forms will be reviewed within 30 days of receipt by the Committee. A copy of the completed request signed by a Committee member will be mailed to Owner's home address unless another form is requested by Owner.
