

# Retreat at Riverland Vehicle Registration

The Retreat at Riverland's HOA requires all vehicles to be registered and identifiable by decal. Upon receiving the completed form you will be issued a decal for the two vehicles described below. The decals enable the association to better handle parking situations such as abandoned cars, flat tires, etc. Each unit may be issued up to two decals. If more than two decals are needed, please contact our office at 843-795-8484.
