FOR THE PEST(S) NOTED ABOVE IN "TYPE OF PROTECTION" Under the terms of your original contract you may renew your protection for another full year by paying the renewal fee above. This renewal is a continuation of the same guarantee contained in your original contract. If, during the effective period of this guarantee, activity has been found and additional treatment is required, GREGORY will perform the necessary treatment FREE OF CHARGE.

Gregory Services offers the following wood destroying organism protection: Subterranean Termites, Powder Post Beetle, Old House Borer, Wood Decay, Fungi. This renewal is ONLY for the specific coverage as listed above under "TYPE OF PROTECTION".

We wish to take this opportunity to remind you that any lapse in renewing this protection by the above due date will forfeit all renewal options in subsequent years. If you have already paid this renewal fee, it is not necessary to pay this invoice.

To most people, their home and property is their largest investment. It is good business to protect them. The BIG JOB is done... and the BIG COST is paid. BE SAFE!!
